Junior Player Permit Application – Playing Up

Winter season U14 & U17 Grades and PLFL Women's Competitions. Mar 26

Players should only play up an age level when their physical capacity and social sense enable them to compete adequately at the higher age level and should be based on the advantage to be gained by the player, not just to make up numbers.
Players can play within the three (3) year age bracket of the grade for their age without a permit.

If a player wishes to play up a grade and is born in the year immediately outside of the age bracket, this form must be completed and submitted to the PLFL by 5pm the day prior to the upcoming round of matches. Compliance with PLFL Bylaw 15 must be ensured.
For the Open Women grade, players must be 14 years old as of January 1 to apply for this permit.
